LAURIE & CO SOLICITORS LLP

Following the recent flooding in Ballater we have continued to operate a service from Ballater and would expect to secure temporary accommodation in due course, details of which will be posted at our office window at 4 Bridge Street, Ballater. Having met with Loss Adjusters it is likely to be several months before the office is ready for re-occupation. All our existing telephone numbers can be used and will be answered at our Aberdeen Office Reception. Solicitors will attend at clients' properties to meet, if required. For contractual disputes and employment related matters contact Linda Fyffe (Tel. 01224 645085). For matrimonial matters and all family related issues, contact Anne Cassidy (Tel 01224 645085). For legal property related matters contact Alan Nicoll (Tel 01224 645085). For property sales and leasing contact Michelle Gray (mobile 07803125448) or Gillian Coutts (mobile 07917625311). We all continue to be contactable on our email addresses save for the Ballater email which will not be operational until our temporary office is secured within Ballater. In the meantime any emails sent to info@laurieandco.co.uk will be dealt with by our Aberdeen Office.

We have attached a note which was taken at the recent meeting at Glenmuick Church organised by The Business Emergency Resilience Group which discussed the process for making an insurance claim and trust this will be of assistance.
