Disabled Friendly Holiday Cottages With Access For All

If you have had difficulty finding suitable holiday accommodation in the past take a look at The Manse Courtyard in the stunning scenery of Royal Deeside in the heart of the Cairngorms National Park.

These holiday cottages have a charm and a quality which are certain to surprise and delight you and you will be sure of a warm welcome from our thoughtful and committed staff team. The four self-catering cottages have been carefully designed and equipped to the highest standard for people with a wide range of needs who wish to holiday together with family, friends or carers.

At Crathie Opportunity Holidays we understand how frustrating it can be to search for information about the accessibility and suitability of your holiday accommodation. We have carefully prepared an Access Guide for each of the cottages as well as the courtyard and these are available on our website or by request.
