

Ballater Flood Defences

Important Community Meeting

An interactive informative community meeting is being hosted by the Ballater Flood Response Group (a sub group of Ballater and Crathie Community Council) to provide the opportunity for everyone to be updated on the progress to date, options for the future and to ask any questions that are of concern.

The group will ensure that all views and opinions will be presented to Aberdeenshire Council to form part of their required consultation process.

Albert Hall, Ballater
1830 - 2030 Hours
19 September 2019
